

De taal van een organisatie is  
geen objectief middel om de  
realiteit te beschrijven – het  
beïnvloedt wat haar leden zien  
en welke acties ze ondernemen

(Meadows 2008, p. 174)

A photograph of a deer crossing a paved road in a forest. The road is dark asphalt with a white dashed line down the center. The deer is brown and is walking from left to right across the road. The forest is composed of tall, thin trees with green foliage. The ground on either side of the road is covered in brown pine needles and fallen branches. The lighting is warm, suggesting late afternoon or early morning.

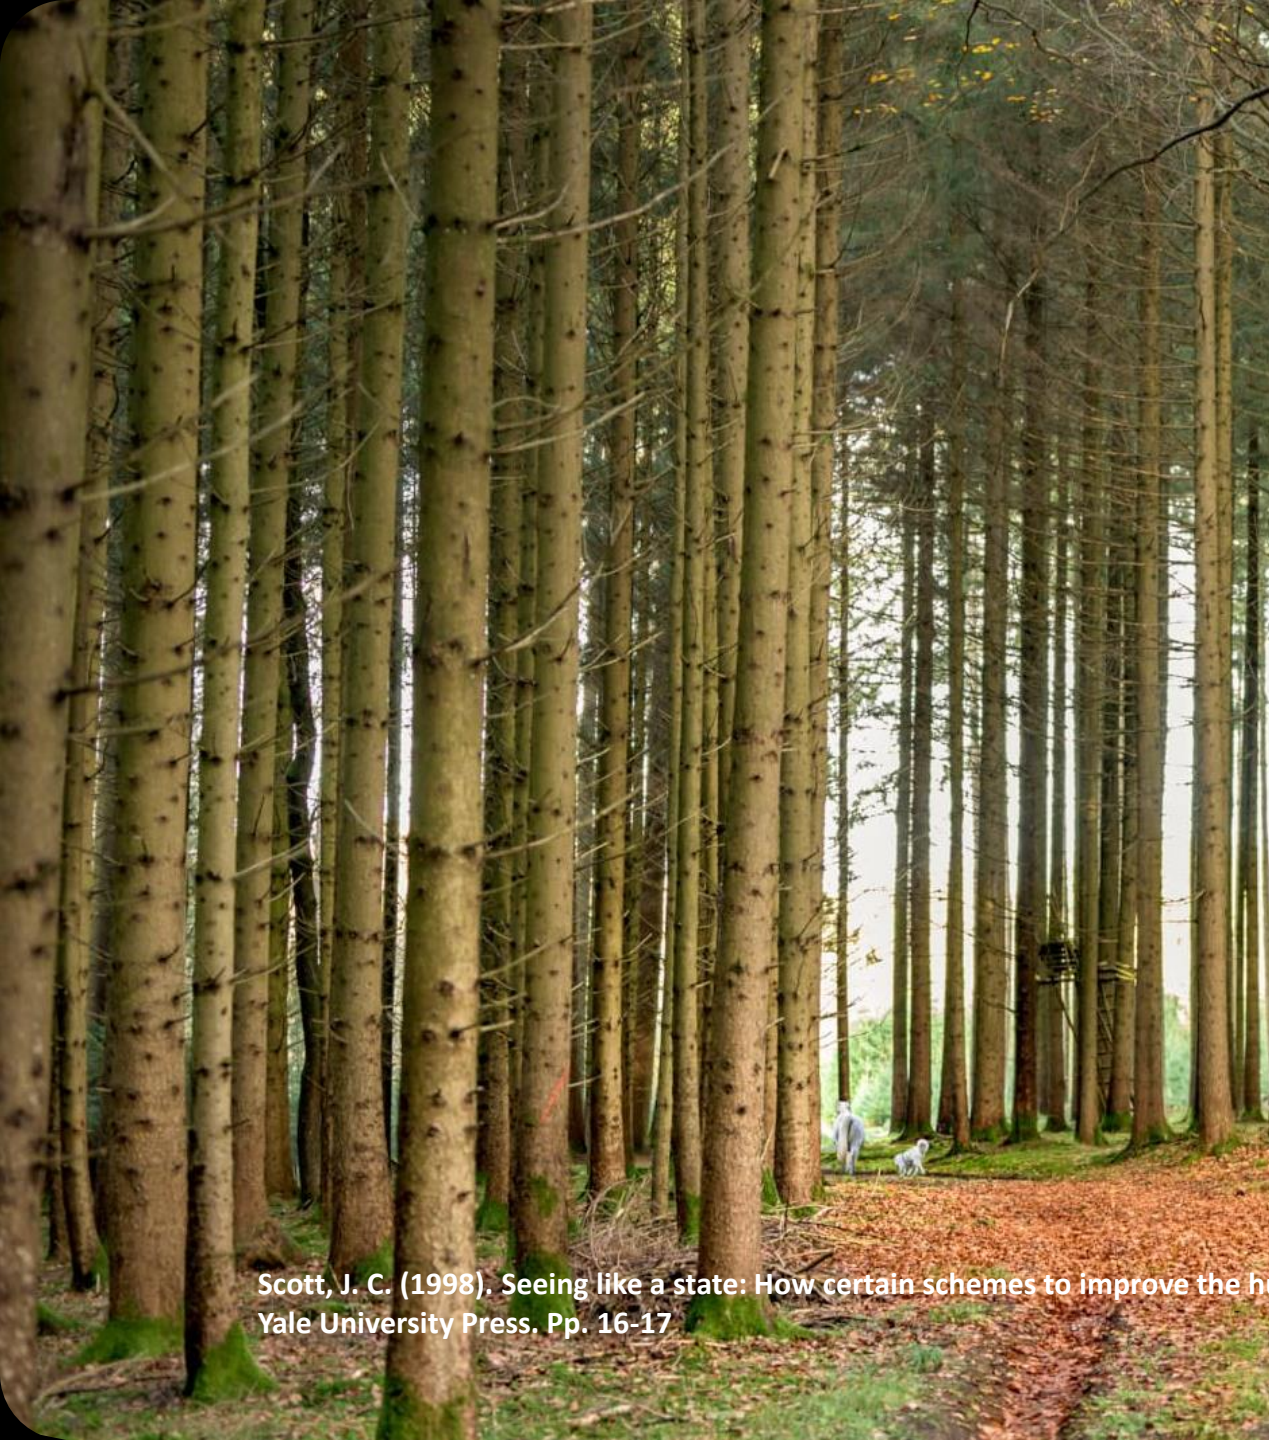

**THINGS ARE NOT ALWAYS  
WHAT THEY SEEM**

**THE DEER ISN'T  
CROSSING THE ROAD  
THE ROAD IS CROSSING  
THE FOREST.**

An aerial photograph of a nuclear power plant, featuring several large, grey, conical cooling towers. The plant is surrounded by greenery and some industrial structures. The image is slightly faded to serve as a background for the text.
